Freedom of Information Act Request No: EPA-R2-2014-003188

Dear Ms. Sims:

Enclosed is a CD with the information you requested, as per your modified request sent via email on February 10, 2014. We usually post all documents to the FOIA Online platform, but due to the large number of documents (370+) we had to send it to you this way.

This is not the complete, final response to your FOIA request - it only reflects the portion of the response from the Pre-Remedial Section of the Superfund Division at EPA Region 2. Other divisions may have received your request, and you should expect to receive notice of the complete, final response shortly. It will come in the form of an email with a link to any online response records.

There is no charge for the CD. If you have any questions, please call me at (212) 637-4321.

Sincerely,

Jan Hagiwara
